## **Our Mission:**

***"Creating empowered community members through real-world education."***

## **Belief Statements:**

1. Students learn personal and social responsibility by being empowered through democratic ownership of their school community and their individual education.
2. Students participate in creating a stable community of learners to ensure academic, personal, social, and career growth.
3. Students use community-based interdisciplinary activities, projects, and experiences to make meaningful connections to the real world.

## **Introduction and General Information**

We are excited about the school and eager to engage you in a rich learning experience leading to completion of the high school degree. The policies and procedures contained in this handbook result from efforts of administration, faculty, parents and other students to provide information that will help you adjust to the school culture and the Rainshadow community. The policies and procedures outlined here are designed to promote your safety and well being while providing a learning environment that supports your achievement of essential instructional goals.

### **Accreditation**

The Northwest Accreditation Commission (NWAC) accredited us during the 2005-2006 school year. NWAC was taken over by AdvancED and they renewed our accreditation July 2014. As an accredited school, Rainshadow CCHS enjoys all the authorities, rights and responsibilities of being regionally and internationally recognized. If you want additional information regarding the status of Rainshadow's accreditation or the process for renewal, you can contact AdvancED directly or just ask us.

### **What is a public charter school?**

Charters are like a license to operate. Schools chartered by the State offer innovative alternatives to traditional public school programs. Charter schools are free public schools that receive funding directly from the State and district. To promote innovation, the rules governing how we teach are relaxed, and charter schools are exempt from some of the rules and regulations imposed on other schools. Thus, charter schools are allowed the flexibility to utilize novel teaching approaches. Charter schools must provide students with instruction that leads to achievement of state mandated academic standards and must comply with federal regulations related to the operation of schools that protect individuals' civil rights. Charter schools must provide students with accommodations related to their individual educational needs as specified in laws such as those pertaining to special education and the Individuals with Disabilities Act.

## **Students' Responsibilities**

We expect you to act like a young adult and help us maintain a positive learning community. We expect you to respect the school's mission and to treat each other with respect. If you choose to be disruptive and/or interfere with the safety of the school or any other student's education, we will make some choices for you. You have every right to waste your own life, but you don't have the right to waste someone else's. Take responsibility for your life and make healthy, productive choices for you.

### **It is also your responsibility to:**

- Read and understand the contents of this handbook
- Comply with all school policies and procedures
- Make a strong effort to learn
- Keep the school informed of changes in address, phone number, and any other circumstances that could affect earning and receiving a diploma
- Attend all classes on time each day and complete all assignments in accordance with the expectations established by the instructor
- Behave in a manner that contributes to a positive learning environment for all, both in the classroom and elsewhere on and off the campus
- Respect the rights of others
- Submit to reasonable corrective action or consequences imposed by the school and its professional staff for violations of its rules
- Obey all federal, state, and local laws and ordinances

### **Non-discrimination Statement:**

Rainshadow Community Charter High School does not discriminate on the basis of sex, age, race, color, religion, handicap, sexual orientation, or national origin in the programs or activities that it operates. This policy applies to the employment of professional, classified and student employees and all operating policies of the school.

## **State Standards and Assessment Goals**

Rainshadow features a thematic, interdisciplinary curriculum that covers standards and goals through an integrated learning approach.

- You will apply knowledge and skills across all subject areas, as reflected in district, state and national standards for education.
- You and all student groups will make continuous measurable gains in achievement of content standards.
- Your learning activities include relevant real-world projects and problems.
- Assessment results will be utilized to guide instruction and to report on your individual knowledge and progress.
- Assessment will allow you to demonstrate knowledge in diverse ways.

## **Career Preparation Goals**

- You will gain an awareness of your own interests, values, abilities and aptitudes.
- You will develop an awareness of the role and value of work for you and for society.

- You will make the connection between what is learned in school and how that knowledge and those skills are applied in the workplace.
- You will explore careers and educational options using a variety of resources and experiences to plan and prepare a career pathway.

### **Confidentiality:**

While the school personnel respect the confidentiality of information provided by students and their parents, there are certain things that they cannot, by law, keep confidential. In accordance with Nevada State Law, school personnel must inform an administrator when they become aware of the physical, emotional or sexual abuse of minors or the elderly, or possess information that would lead one to believe a student may do harm to himself, herself or others. State law requires immediate reporting to the appropriate law enforcement or social service agency.

### **Enrollment Policy**

Currently, enrollment is limited to 150 students. Enrollment opportunities will open up the beginning of the school year and continue to be open until Rainshadow reaches enrollment capacity. Preference will be given each year to returning students and the enrollment of siblings of a pupil who is currently enrolled in the school. Upon notification that Rainshadow CCHS is identified as being in an area of at-risk, preference will also be given to a student who resides within 2 miles of Rainshadow CCHS. Preference will also be given to students who reside in the district before enrolling students coming from another school district. All students are also required to attend a mandatory orientation.

*Student Maximum Age Allowance:* Rainshadow will not count a pupil who is 21 years of age or older on or before September 30 of a school year for the purpose of calculating the basic support for the school district for that school year unless:

The pupil is a pupil with a disability who is eligible to receive the benefits provided by chapter 395 of NRS pursuant to NRS 395.020. The administrative team will review all students over 18 prior to enrollment to ensure RCCHS is a practical option for that student.

- \* Rainshadow will enroll students age 18 with a minimum of 11 credits and with an approved graduation plan as long as this enrollment will not exceed 5 years in a high school setting.
- \* Rainshadow will enroll students age 19 with a minimum of 17 credits and with an approved graduation plan as long as this enrollment will not exceed 5 years in a high school setting.
- \* Rainshadow will enroll students age 20 with a minimum of 19 credits and with an approved graduation plan to graduate at semester break of the same school year as long as this enrollment will not exceed 5 years in high school and the student will not turn 21 before the end of the semester break of the same school year.

### **Lottery Policy**

If the number of eligible students wishing to enroll in Rainshadow exceeds the number of spaces available (150), then Rainshadow will hold a lottery to determine which applicants it will accept. The names of all students eligible for admission will be placed in a container and selected randomly to fill those spaces. If the student drawn does not accept the position, another name will be drawn. Rainshadow will maintain a waiting list of students interested in attending and will notify students as openings become available.

### **Parent Involvement**

As a condition of enrollment, Rainshadow CCHS requests that a parent or guardian of each student enrolled at the school commit to being involved with their student during the course of their education and be available for meetings with staff as needed.

### **Withdrawal from Rainshadow:**

In accordance with Washoe County School District policy and procedures, telephone calls are an acceptable means for informing the school of the desire to withdraw a student from Rainshadow, however a parent/guardian will be asked to sign a withdrawal form for the withdrawal to become official.

## **HEALTH AND SAFETY**

Rainshadow CCHS does not provide health services, but will make every attempt to ensure a safe, healthy environment for your student to learn. In the event that your student sustains an injury or becomes ill on campus or during an off campus activity, a parent or guardian will be called immediately. Minimal first aid treatment will be provided as needed and emergency assistance will be called based on the preserved severity of the injury or illness.

### **Medication Procedure:**

Tylenol, Aspirin, and other patent drugs are not available from the school and will not be given to students by any staff.

Assembly Bill 182 – Requires principals and school nurses to allow pupils to self-administer prescribed medications for asthma and anaphylaxis under certain circumstances.

This bill allows for the following:

- ❖ A parent or legal guardian of a pupil who has asthma or anaphylaxis to request authorization from the principal in the public school in which the pupil is enrolled to allow the pupil to self administer medication for the treatment of asthma or anaphylaxis while the pupil is on the grounds of a public school.

  - ◆ A signed statement of physician indicating that the pupil has asthma or anaphylaxis and is capable of self-administration of the medication.

### **SCHEDULE CHANGES**

The counselor makes every effort to ensure you are placed in academically appropriate classes. The teachers make every effort to ensure your classes are challenging. Please make your elective choices with care. The counselor will go through your schedule with you and once it is completed, it will be difficult to change. In extenuating circumstances, a change may be made with principal and counselor approval.

### **Process for Admission for Students Requiring Special Education Services:**

1. If you are already in special education at another school, the student's parent/guardian

must request a change of placement IEP at the current school with the case manager, LEA, and Special Education Teacher from Rainshadow. Parents and students need to be aware of the mainstreamed classroom program at Rainshadow. \*

2. A current IEP must be in place with the following items in place:
3. Rainshadow mainstream schedule as noted.
4. Current reevaluation with psychological report.
5. Transcripts.
6. Rainshadow will accept as many special education students as resources allow.

*\*\*NRS 386.582.3 If the governing body of a charter school is unable to provide appropriate special education program related services for a particular disability of a pupil who is enrolled in the charter school, the governing body may request that the board of trustees of the school district of the county in which the student resides transfer that pupil to an appropriate school.*

### **Grading Policy:**

Grades for academic performance will be determined as they are at other schools through teacher evaluation of the quality of the work in relation to specific competencies students are expected to achieve. Rainshadow will attempt to de-emphasize grades by providing students written and verbal evaluations of their work so that students will know how their work meets or falls short of showing attainment of competencies related to a particular course of study. To serve the needs of students who transferred from other schools and to provide information required for admission to colleges and universities, Rainshadow will include in student transcripts the grades they receive for individual courses. Transcripts will be formatted to resemble those used in other Washoe County School District (WCSD) high schools. Grades will be A, B, C, D or F.

### **Progress/Grade Reports:**

At any time during the semester, the teacher may contact a parent/guardian to report on a student's progress. Parents are welcome to contact a teacher at any time to request information on the progress of their student. Grade reports will be mailed to parents/guardians.

### **Testing:**

Rainshadow CCHS administers all State of Nevada mandated standardized tests as per the testing schedule determined by the WCSD to measure academic growth and to evaluate the strengths and weaknesses of the school's academic programs. The state guidelines for testing will be followed.

The counselor is available to provide information regarding entrance examinations for post-secondary education.

### **Rainshadow Student Assessment:**

“The overall assessment program of the Rainshadow Community Charter High School will be based on “documentation” methodology that calls for the keeping of detailed records of student learning through proof-of-completion of various projects coupled with detailed student self-assessment and teacher assessment of work” (Perrone, Adkison and Tchudi). Teachers, through this documentation, will “track” student's progress toward attaining competencies relevant to achievement of academic standards set by the state and completion of coursework required for graduation. Portfolios will be maintained for each student and will include:

- A record of all standardized tests completed by the student

- Teacher notes regarding observations of student participation in learning activities and project work
- Student learning logs containing evidence of learning and reflection on the consequence of learning that has taken place. Logs will include discussion of books and other materials read during the year as well as discussion of other experiences related to academic and social-emotional growth
- Examples of student work selected by the student, with the aid of the teacher, that demonstrate achievement and attainment of goals described in the state and local academic standards documents
- Academic checklist for all core academic courses showing mastery of state standards
- Examples of student writing ability selected by students with the aid of teachers
- A student written introduction to the final version of the portfolio that describes the contents and their value for understanding the accomplishments of the student

The development of robust assessment instruments for determining the depth of student understanding of curricular concepts and their ability to apply learning to solve real world problems is a major goal of Rainshadow.

Rainshadow will follow the procedures for periodic reports on the progress of the charter school to parents/legal guardians, school district, and the State Board of Education pursuant to NRS 386.520. This will include:

- a) Regular conferences with teachers and students regarding progress in the academic core, independent study, and beyond-the schoolhouse learning. These conferences will take place during class time, before school, or after school.
- b) Quarterly conferences (face-to-face or by telephone) between Rainshadow teachers and parents/guardians.
- c) Quarterly reports to parents/guardians and students regarding credit for academic work. Parents/guardians will be supplied with copies of all assessments and self-assessments to be included in the permanent record of student achievement. Before any item becomes part of the permanent record, a parental signature as well as that of the student and the instructor will be required.
- d) Periodic reports to the Washoe County School District, Northern Nevada community, the Nevada Department of Education, and the Nevada Legislature as required *and* as requested. In addition to the usual records of attendance, Rainshadow will submit reports of credits granted to students, and promotion and success rates.
- e) Public demonstrations and displays. A standard part of every academic quarter is a week of demonstration and display. At a minimum, this will include one "open house" at the school where students display their project work for the quarter. The Rainshadow faculty will also actively seek other venues for public display of student work, depending, of course, on the topic.

### **Compliance with State and District Assessment Requirements and Accountability**

1. Rainshadow will adhere to District-determined assessment schedules.
2. Rainshadow students will take the tests required of students at particular grade level when they have acquired the number of credits required to enter that grade level at a WCSD high school. The amount of time designated for testing will be consistent with time provided for the administration of similar tests in the School District. Tests will be administered in the manner prescribed by State and School District to insure validity and reliability.

3. Rainshadow will comply with all testing requirements of the State and the Washoe County School District. Assessment tools developed by Rainshadow will be judged on the criterion of meaningfulness, as defined by school personnel.
4. Copies of assessment reports will be retained in student portfolios.
5. Rainshadow will retain assessment materials in locked, fireproof storage cabinets located in an area of the school not accessible to students or faculty.
6. Rainshadow will provide information, as required by the School District, for required reports.
7. Rainshadow will comply with the intent of Assembly Bill 214 by contracting with qualified persons to train all personnel involved in the handling of or administration of assessments, as well as training in test security issues. The training will occur in a timely manner and will be conducted in such a manner as to comply with law.
8. We have addressed elsewhere our intent to have all mandated tests administered according to district-determined schedules.
9. Rainshadow CCHS has an ETS testing code, and students can see the academic counselor for additional information regarding the ACT and SAT.

Attendance

## Attendance Policy

It is our belief at Rainshadow CCHS that attendance is a must in achieving a good education. High achievement is dependent on students' participation in and contributions to their assigned day. Therefore, both students and parents must understand the link between good attendance and good education.

At the same time, we all understand that there are days when students do miss school with the consent of parents or guardians. Consequently, when a student does miss their assigned day they must make up the work missed while they were out.

In addition to absenteeism, tardiness is also a continuing problem. While we understand there may be circumstances, which may prevent a student from being on time, we will not allow chronic tardiness. This has been especially true in the early morning classes. Students who miss  $\frac{1}{4}$  of their class or more will be considered absent for the entire class and it will count against the 90% attendance policy. Chronic tardiness will also result in consequences that include, but may not be limited to detention, suspension, required parent/guardian conference, student withdrawal, and/or loss of credit if tardiness affects required attendance.

Please help us in our efforts to keep the lines of communication open.

### Attendance

#### **Attendance Rules, Procedures, and Forfeiture of Credits:**

Attendance is a shared responsibility and concern of students, parents/guardians, school staff and the community. If students are not in class, they cannot benefit from the academic school program. In order to achieve academic success and develop habits of punctuality, self-discipline and responsibility, all **RAINSHADOW STUDENTS ARE EXPECTED TO ATTEND SCHOOL A MINIMUM OF 90% OF SCHOOL TIME. IN ACCORDANCE WITH WCSD ATTENDANCE POLICY, IF A STUDENT FAILS TO MAINTAIN A MINIMUM OF 90% ATTENDANCE (EXCLUDING EXCUSED ABSENCES), THE STUDENT SHALL NOT EARN CREDIT.** It is the student's responsibility to keep track of their attendance.

Students who become ill at school are to see the front office clerk. If it is necessary to leave the school because of illness, students should check out through the office. Students leaving school for any other reason must be given advance parental/guardian permission by telephone to the school office and check out via the office prior leaving. ***Students are not to use their cellular phones to reach parents to receive permission to leave campus. All calls to parents must be made through the front office staff, no exceptions.***

#### **ABSENCE DEFINED**

If a student is not in class when the class begins, the student is marked absent. If the student shows up late and has missed less than  $\frac{1}{4}$  of class the absent mark will be changed to either an excused or unexcused tardy.

***Absences from School:*** The following reasons for absences from school will be recorded on the attendance record:

***Excused:*** School officials excuse this absence. Excused absences result when a parent/guardian notifies the office when a student will not be in attendance.

***Unexcused:*** An absence is unexcused when there is no parent/guardian notification prior to the absence.

***Absences for Medical/Dental Appointments:*** Parents/guardians are encouraged to schedule doctor or dental appointments during non-class time.

***Prearranged Absences:*** Parents/guardians of those students who are planning to be absent from school should notify the office by telephone. Students will be expected to make up their class work and missed assignments during the same week.

***In-School Suspension:*** The student is considered absent from class but counted as present in school.

***Out-of-School Suspension:*** The student is considered as excused. Students who are suspended out of school are expected to make up the work missed to receive credit.

***Truancy:*** The student is unexcused by the school or by the parents.

***Tardiness:*** Students who arrive late to school must report to the office. A pass will be issued for the student to be admitted to class. Students who are tardy to school for the second time during any semester will be issued a detention. Each additional tardy will result in a detention and/or suspension and required parent conference. Classroom teachers have the authority to deal appropriately with excessive tardiness. Absences from classes due to tardiness to school (not excused by parents) will be considered to be unexcused.

***Truancy from School:*** Students who do not arrive at school when parents are under the assumption that they are in school are truant; they will be required to attend a conference with the administrator.

***Truancy from Class:*** Students who are truant in individual classes will be dealt with in accordance with due process regarding the truancies. Following the first truancy the student will discuss the situation with his/her teacher, and may be required to attend a conference with an administrator.

If a second-class truancy occurs, an administrator will contact the parent. Information regarding the second truancy, action to be taken as a result of the truancy, and consequences of future truancies will be discussed.

***Unexcused Absences:*** The student will need to negotiate with the teacher and the administrator in charge for the right to receive credit for make-up work. This is at the teacher's discretion.

***Truancy Absences:*** Students who are absent due to truancy are encouraged to make up work missed but will not receive credit for that work.

***Excused Absences:*** Students who are absent from class or school and whose absences are excused by school officials will be allowed to make up all work missed and earn full credit. Excessive absences may result in the requirement of a doctor's excuse for additional absences.

**Excused Absences:**

- Medical
- Religious
- Legal
- Bereavement
- Pre-arranged (must be approved according to policy)
- Family/personal emergency
- Suspension\* (In house)
- Alternative Education Setting (Homebound, Wittenberg, hospital)
- School sponsored activity\*

***\*Parent verification required.***

***\*For prearranged absences, students will need to contact their teachers for appropriate assignments and makeup work within a reasonable time. Not attending any portion of a class will for reasons other than those cited above will be considered an unexcused absence (see unexcused absence procedure/policy below).***

***In-School Suspension Absences:*** Students who are suspended in-school will be provided assignments which to earn credit must be handed in either at the end of the suspension day or upon the student's return to class. Rainshadow CCHS currently does not offer in-school suspensions.

***Out-of-School Suspension Absences:*** Students who are suspended out of school are expected to make up the work missed to receive credit.

## **UNEXCUSED ABSENCE PROCEDURE/POLICY**

### **NEVADA REVISED STATUTE 392.122**

**NRS 392.122 Minimum attendance required; school district authorized to exempt medical absences from requirements; notice and opportunity for parent to review absences before credit or promotion is denied; information to parents concerning duty to comply. (Effective through December 31, 2010.)**

The board of trustees of each school district shall prescribe a minimum number of days that a pupil who is subject to compulsory attendance and enrolled in a school in the district must be in attendance for the pupil to obtain credit or to be promoted to the next higher grade. The board of trustees of a school district may adopt a policy prescribing a minimum number of days that a pupil who is enrolled in kindergarten or first grade in the school district must be in attendance for the pupil to obtain credit or to be promoted to the next higher grade.

2. For the purposes of this section, the days on which a pupil is not in attendance because the pupil is absent for up to 10 days within 1 school year with the approval of the teacher or principal of the school pursuant to [NRS 392.130](#), must be credited towards the required days of attendance if the pupil has completed course-work requirements. If the board of trustees of a school district has adopted a policy pursuant to subsection 5, the 10-day limitation on absences does not apply to absences that are excused pursuant to that policy.

3. Except as otherwise provided in subsection 5, before a pupil is denied credit or promotion to the next higher grade for failure to comply with the attendance requirements prescribed pursuant to subsection 1, the principal of the school in which the pupil is enrolled or the principal's designee shall provide written notice of the intended denial to

the parent or legal guardian of the pupil. The notice must include a statement indicating that the pupil and the pupil's parent or legal guardian may request a review of the absences of the pupil and a statement of the procedure for requesting such a review. Upon the request for a review by the pupil and the pupil's parent or legal guardian, the principal or the principal's designee shall review the reason for each absence of the pupil upon which the intended denial of credit or promotion is based. After the review, the principal or the principal's designee shall credit towards the required days of attendance each day of absence for which:

(a) There is evidence or a written affirmation by the parent or legal guardian of the pupil that the pupil was physically or mentally unable to attend school on the day of the absence; and

(b) The pupil has completed course-work requirements.

4. A pupil and the pupil's parent or legal guardian may appeal a decision of a principal or the principal's designee pursuant to subsection 3 to the board of trustees of the school district in which the pupil is enrolled.

5. The board of trustees of a school district may adopt a policy to exempt pupils who are physically or mentally unable to attend school from the limitations on absences set forth in subsection 1. If a board of trustees adopts a policy pursuant to this subsection:

(a) A pupil who receives an exemption pursuant to this subsection is not exempt from the minimum number of days of attendance prescribed pursuant to subsection 1.

(b) The days on which a pupil is physically or mentally unable to attend school must be credited towards the required days of attendance if the pupil has completed course-work requirements.

(c) The procedure for review of absences set forth in subsection 3 does not apply to days on which the pupil is absent because the pupil is physically or mentally unable to attend school.

6. A school shall inform the parents or legal guardian of each pupil who is enrolled in the school that the parents or legal guardian and the pupil are required to comply with the provisions governing the attendance and truancy of pupils set forth in [NRS 392.040](#) to [392.160](#), inclusive, and any other rules concerning attendance and truancy adopted by the board of trustees of the school district.

(Added to NRS by 1997, 2488; A [1999, 3454](#); [2003, 1341](#); [2005, 94, 521](#))

### **TARDINESS**

Like absences, missed instruction also adversely affects the learning process. Since promptness is a recognized virtue in adult life, the schools will emphasize the importance of being on time; therefore, missed instruction may affect the citizenship/grades. Chronic missed instruction will be referred for disciplinary action.

### **CLASSIFICATION OF MISSED INSTRUCTION**

There are two types of missed instruction:

#### **Excused Missed Instruction (EMI)**

- A student enters class late or leaves early with a legitimate excuse. It is the student's responsibility to provide, within 3 business days, evidence the missed instruction was due to a valid reason.

#### **Unexcused Missed Instruction (UMI)**

- A student enters class late or leaves early without a legitimate excuse. Missed instruction is presumed unexcused unless evidence is provided, in a timely manner that the missed instruction was due to a valid reason.

## **TRUANCY**

Truancy is defined in NRS 392.130 as follows: “A pupil shall be deemed a truant who is absent from school without the written approval of his teacher or the principal of the school, unless the pupil is physically or mentally unable to attend school. The teacher or principal shall give his written approval for a pupil to be absent if an emergency exists or upon the request of a parent or legal guardian of the pupil. Before a pupil may attend or otherwise participate in school activities outside the classroom during regular business hours, he must receive the approval of the teacher or principal.”

An absence, which has not been approved by either the school or the parent/guardian, is truancy and the school will deliver or cause to be delivered a written notice of truancy. A student may be deemed truant for missing all or part of the day.

Habitual truant, as defined by NRS 392.040, is any student who has been declared truant three (3) or more times within one (1) school year. Any student who has once been declared a habitual truant and who in an immediately succeeding year is absent from school without written approval may again be declared a habitual truant. The principal is required by law to follow school district procedures in reporting any student who is a habitual truant.

## **TRUANCY NOTIFICATION**

The school shall inform the parent(s) or legal guardian(s) of each student who is enrolled in the school, that the parent (s) or legal guardian(s) and the student are required to comply with the provisions governing the attendance and truancy of students, as set forth in NRS 392.040 to 392.160, inclusive, and any other rules concerning attendance and truancy adopted by Rainshadow CCHS.

## **CHRONIC ABSENTEEISM/MISSED INSTRUCTION**

Chronic absenteeism/misled instruction is defined as any student who is absent or missed instruction for more than four (4) days or periods in the same class, during a school quarter and who continues to be absent during subsequent quarters.

Chronic absenteeism/misled instruction will be reviewed by the school to determine appropriate interventions.

## **MINIMUM ATTENDANCE REQUIRED**

Students in the school district must be in attendance at least ninety percent (90%) of enrollment in order to be promoted to the next higher grade, or to earn credit.

Absences that do not count against the student when applying the ninety- percent (90%) attendance rule (NRS 392.122):

1. Absences due to the fact that the student is physically or mentally unable to attend school; or
2. Up to ten (10) days of absence within one (1) school year with the approval of the teacher or principal of the school pursuant to NRS 392.130 (Truancy Statute) and only if he has completed course work requirements.
3. Absences due to a school activity that is:
  - a. Sponsored by the school or school district;
  - b. Part of the program of the school or school district, and
  - c. Personally supervised by an employee of the school district.

## **MAKE-UP WORK**

Students will be provided the opportunity to request and complete make-up work for absences and missed instruction.

Not all work, especially work that is participatory and contributive in nature, can be made up. At the discretion of the teacher, alternative work may be provided for these activities.

Failure to request or return completed makeup work and missing of work that cannot, at the discretion of the teacher, be made up, will result in grade reduction for that work for the purpose of classroom grading.

### **MAKE-UP WORK IS DEFINED AS:**

- Scheduled tests
- Scheduled quizzes
- In class work assigned on the day on the student is absent or missed instruction
- A description of the topic(s) covered in class while the student was absent or missed instruction and possible resources where the student can obtain information on the topic(s)

Teachers may require additional make-up work.

Make up work need not be identical or equivalent to those missed in the absence or missed instruction period, but will ensure that the student has the opportunity to meet academic standards.

Previously assigned work, that was due on the day the student was absent, is not considered make-up work and is due the day the student returns to school.

It is the student's and/or parent/guardian responsibility to return the completed make-up work within the designated deadline. Failure to do so will result in no credit received.

Students will have a minimum of as many days/periods as they were absent plus one (1) day to make up the work unless other arrangements are made with the teacher. For example, if a student is absent two (2) days/periods he/she will be (2) + one (1) or three (3) days/periods to make up the work. The timeline for making up the work begins when the student receives the make-up assignment from the teacher.

### **MAKE-UP WORK FOR TRUANCIES AND SUSPENSIONS**

In order to allow students to progress academically, students *may* be given the opportunity to make up work for truanicies and suspensions.

Teachers with concerns about make-up work for truanicies or suspensions are encouraged to meet with the Principal or his/her designee to identify consequences for the truancy or suspension that do not impact student academics.

### **ABUSE OF MAKE-UP POLICY**

Students who abuse the make-up work policy by failing to complete and return make-up work may, at the discretion of the teacher, lose the privilege of making up work for that class. The parent/guardian and the student may request administrative review of the teacher's decision.

Failure to request or return make-up work and missing of work, at the discretion of the teacher may result in a lower grade.

Schoolwork missed as a result of suspension must be made up and will result in the lowering of the academic grade for the grading period.

### **ASSIGNING A FAILING GRADE**

If the student has not attended class a minimum of 90% of the time (Domestic, Truancy, and/or Unverified absences) he/she will not receive credit. The teacher/school will have been in contact with the student and parent/guardian regarding attendance concerns well in advance of this consequence.

Nevada State Law mandates (NRS.392.040) that all children ages 7 through 18 attend school. Parents are legally required to ensure the regular and punctual daily attendance of their child in accordance with NRS 392.040-392.160.

### **Notes to Parents/Guardians Communications Regarding Absences**

Communication with the school regarding the school regarding absences is essential. If your student is absent from school you must communicate with the school as soon as possible to confirm your student's absence. For your convenience our staff is on duty from 7:30 a.m. until 3:30 p.m. each day school is in session to accept your telephone calls regarding absences. Please call (775) 322-5566 to leave information about your student.

These procedures also apply if it is necessary for your student to leave during the school day. You must call before your student departs in order for your student to be released from school. For your student's safety, you may be required to come pick up your student if identification cannot be verified over the phone. Students who leave and then ask parents to call later will be recorded as *unexcused*. Absences must be excused or verified within three days of the occurrence. Absences, which are not excused or verified within three days, will be considered truanancies. Students who are truant from school may be required to have an administrative conference to regain entrance to class.

As a courtesy to you, Rainshadow CCHS regularly reports student attendance to parents. Regular daily attendance is a critical component of the educational process. Students who miss class may be able to make up schoolwork, but it is not possible to recover all of the learning that takes place in the classroom on a daily basis.

The Rainshadow CCHS Attendance Policy (in accordance with Nevada State Law) states: **"Students enrolled in Rainshadow CCHS must be in attendance at least ninety percent (90%) of enrollment in order to earn credit.**

If our records show that your student has excessive absences, it is possible your student may not earn credit. Since your student's success is our primary concern, it is imperative that your student attends school daily.

**Please also recognize that "It is the student's and/or parent/guardian's responsibility to request make-up work on the day the student RETURNS to class."**

Thank you for your attention to this matter. We want your student to be successful. Attendance is a shared responsibility and concern of students and parents/guardians with the assistance and support of school staff and the community.

Please contact Rainshadow CCHS at (775) 322-5566 if you have any questions.

# Rainshadow Community Charter High School

## Rules of Conduct and Progressive Behavioral Support

## **LEGAL AND LIABILITY ISSUES IN SCHOOLS**

### **What are my rights and responsibilities as a Rainshadow Community Charter High School Student?**

1. You have the right to expect that all of the rights intended under the laws of the nation and state will be granted within prescribed legal guidelines. You have the responsibility to obey school, city, state and federal laws.
2. You have the right to be treated respectfully and with dignity by your fellow students, the teachers and other school employees without regard for race, religion, sex, age, disability or family situation. You have the responsibility to be respectful of yourself, others and property, and to respect the rights of fellow students, faculty and school personnel.
3. You have the right to be treated as a unique individual with different needs, learning styles and abilities. You have the responsibility to complete assignments to the best of your ability and to adapt to different teachers and teaching styles.
4. You have the right, along with your parent(s)/guardian, to participate in decisions affecting your educational program. You, with your parent(s)/guardian, have the responsibility to actively participate in conferences and meetings held on your behalf.
5. You have the right to a comprehensive curriculum. You have the responsibility to take full advantage of the curriculum being offered.
6. You have the right to expect a building environment that is safe, clean and comfortable. You have the responsibility to treat the property of the school and fellow students with respect and to do your part in helping to maintain a clean, safe environment.
7. You have the right to attend classes where dedicated, caring teachers are well prepared to teach. You have a responsibility to be punctual for school and classes, to attend school regularly and to obey the rules of the school and classroom.

#### **First Amendment:**

The United States Supreme Court rendered a decision in 2000 that school administration can establish a policy that prohibits conduct which materially and substantially interferes with the educational process, which includes but is not limited to, use of obscene or derogatory language, gestures or writing. The court noted that it is highly appropriate function of public school education to prohibit offensive terms in public discourse. The first amendment does not prevent schools from determining guidelines to prevent the undermining of the schools' basic educational mission. The 9<sup>th</sup> Circuit Court (whose jurisdiction includes the State of Nevada) has decided these regulations are not aimed at silencing expressive conduct, but instead are an attempt to maintain a safe environment. The court ruled that maintaining this safe environment outweighs the minimal impact of a students' right to expression.

Conclusion: Schools need not tolerate dress, speech, or any actions that impede the educational process of others, even though government may not censor similar items outside the school.

## GENERAL CONDUCT

Rainshadow students are representatives of the school. Community members judge Rainshadow CCHS by student actions. It is very important that students conduct themselves as positive ambassadors of the Rainshadow community at all times. If a student's behavior violates the basic rights and responsibilities of Rainshadow Community Charter High School, corrective measures will be taken.

Rainshadow Community adopted a model of behavior we refer to as TERMS. When you choose to attend our school, you are also agreeing to our TERMS. TERMS stand for: Trust, Equality, Respect, Maturity and that equals Success! You will see the posters around the school as a reminder and this will be discussed in your classes. We expect you to make this an everyday part of your life here.

State law charges teachers and administrators with maintaining order and discipline among students; therefore, Rainshadow has developed rules, regulations and procedures to establish and maintain an orderly learning environment.

The following rules, regulations, sanctions and due process procedures are designed to protect rights of all members of the Rainshadow community in all aspects of their school experience. Students, parents, teachers and administrators share the responsibility for ensuring appropriate student behavior.

### The Code of Behavior

**Rainshadow community members respect others as people, and as learners, and gain respect in return by treating people the way they wish to be treated. Rainshadow community members take responsibility for their own education and actions by working hard in school and making changes when they have done something wrong. Rainshadow community members speak up appropriately when they see something wrong, and help others to improve as people by reminding them to stay committed to the school and the Code of Behavior. There are four major categories of inappropriate behavior that negatively affect the school community:**

Interfering with the safety of others  
Violating the learning process of others  
Jeopardizing the future of Rainshadow  
Insubordination to those authorized to enforce the code

*If anyone witnesses these kinds of behaviors within the community, they may work to resolve it, but if they are unable to, they must report it to a staff member (ideally a Dean or the Principal) so that the problem can be addressed.*

## CAMPUS/CLASSROOM MANAGEMENT

### Your Teacher's Authority

Teachers shall have complete authority in their classroom and shall have class rules clearly posted and aligned with school policies and State and Federal Laws. Student incentives may be used when viewed as appropriate, as long as school policy or laws are not circumvented. Students are expected to respect authority and shall demonstrate general behavior that supports courtesy, decency, and the educational process.

All school employees, including teachers, aides, clerical staff, custodial, maintenance, and others have the authority to enforce school rules in the school setting or at any school activity. Students may be held accountable for their action off campus and during hours not related to instructional time if the behavior directly impacts the school.

The classroom teachers will be the primary monitors of students during the school hours, on school grounds, and at school activities. All first attempts to solve disciplinary problems will be made by the classroom teacher. The following steps will be made as a regular course of classroom intervention:

1. Non-verbal warning, eye contact, silence, moving closer to student, etc.
2. Verbal warning, question student regarding policy or procedure
3. Reassign seating within the classroom
4. Teacher conference with student
5. Parent Phone Conference
6. Face-to-face Parent Conference (with or without an administrator)

Should these interventions prove futile, the student will be referred to a Dean, or if unavailable, to the Principal. The Dean (with or without the teacher) and student will discuss the disciplinary concerns and arrive at an acceptable solution as outlined by policy. The parent will be notified as soon as possible, of conferences and the disciplinary referrals as outlined by policy. Rainshadow will use the least restrictive intervention possible and will remove a student from their classes, and ultimately from school, only as a last resort or as dictated by State law.

**Appropriate Student Conduct** (includes, but is not limited to)

- Take responsibility for your learning.
- Attend classes each day
- Be on time and be prepared
- Follow all classroom rules.
- Do assigned classroom work.
- Treat others with respect.
- Support Rainshadow's community.
- Walk in the building.
- Keep your hands, feet, and other objects to yourself.
- Show appreciation for, and be courteous to, all groups/guests presenting programs or participating in athletic events in our school.
- Treat the building and grounds with respect.

**Teacher/student contact:**

In compliance with NRS 392.4633, "Corporal punishment may not be administered upon a pupil in any public school."

Rainshadow does not administer corporal punishment. Corporal punishment is defined as, "...the intentional infliction of physical pain upon or the physical restraint of the pupil for disciplinary purposes."

This statute does not prohibit a teacher, an administrator or other licensed person from defending himself/herself. Reasonable and necessary force may be used to:

- a. Stop a disturbance that threatens physical injury to another person, student or destruction of property.
- b. To obtain possession of a weapon or other dangerous object within a student's control
- c. To escort a disruptive pupil who refuses to go voluntarily with the proper authorities

- d. To remove a student from class who refuses to follow teacher request to leave the school or classroom.

### **Four Levels of Progressive Behavioral Support:**

- ◆ **Level 1** - Classroom discipline by the teacher, including but not limited to detention.
- ◆ **Level 2** – Referral to Dean or Principal with consequences such as warning, supervised study which might include school clean up, and/or short term behavior plan
- ◆ **Level 3** – Assignment to long term behavior plan, possible meeting with Principal
- ◆ **Level 4** – Suspension or Expulsion from Rainshadow CCHS

\*As a general rule, a parent conference resulting in a behavioral plan for student improvement will precede a student being removed from school for discipline reasons. Exceptions to this may include situations where the safety of students or staff members is of a major concern. Suspensions will be rarely used and expulsions will be the result of violation of local, state or federal law, or an issue of staff or student safety.

### **Your Incentives**

The school offers academic, attendance and punctuality incentives. All incentives are performance-based and available to all students. Remember that self-discipline and hard work builds positive self-worth and esteem.

### **What items are not to be used on school grounds and at all school-sponsored activities?**

**Weapons of any sort are not permitted anywhere on school grounds. Possession of weapons on school grounds may lead to expulsion from Rainshadow and/or arrest. All weapons will be confiscated if brought to school. This includes knives of any size or length.** Other items such as skates, roller blades, skateboards, and laser pointers are not to be used on school grounds. Items confiscated from students will be returned to parent(s)/guardian as outlined in the Rainshadow's Student Conduct Code. **Rainshadow is not responsible for theft.**

### **What is the Secret Witness program?**

Students with information regarding illegal or dangerous activity on campus (possession of a weapon or illegal substance, theft, burglary, vandalism, threats, harassment, potential fights) should inform a faculty member or administrator immediately. All reports will be kept confidential. Students may also report criminal acts by dialing "202" from any AT&T regular or pay phone or by calling school SECRET WITNESS at 329-6666. Rewards are offered for information leading to the arrest and conviction of students responsible for criminal activity.

### **What is the Dress Code for Students**

The school recognizes that student dress and grooming practices are generally a matter of personal choice. However, the school also recognizes that there is a relationship between students' choice of dress and grooming practices and such things as school pride, self-esteem, and general welfare of the students. The student shall assume the responsibility for dressing appropriately for all school occasions and weather. Suitable shoes must be worn in school for reasons of health and safety. Common sense should be followed in selecting appropriate dress.

Your dress is a reflection of who you are. The following clothing choices are unacceptable:

1. Bare-midribs, skin needs to be covered. Mini-skirts, tube tops, spaghetti straps and short shorts are unacceptable.
2. Any clothing, bandanas, gloves, accessory or symbolic apparel believed to be affiliated with gangs.
3. Any clothing that refers to obscenities, pornography, violence, alcohol, drugs and/or contain unacceptable language or images.
4. Underwear is under wear, please keep it covered.
5. Sagging or tight pants that show underwear.
6. Sunglasses, unless verifiable medical reasons exist, i.e. prescription.
7. Hooded sweatshirts are allowed as long as the hood is down inside the school.

Students who violate the school dress policy may be asked to do any of the following depending upon the specific circumstances:

1. Turn inappropriate clothing inside out.
2. Change into clothing provided by the school.
3. Have other clothing brought to the school.
4. Remove inappropriate accessory or accessories.
5. Be transported home to change attire.
6. Surrender any drug or alcohol clothing/accessory to the Dean or Principal.

**In implementing and enforcing this regulation, the following procedures shall be followed:**

1. If a student is suspected of violating this regulation, the violation should be reported to the Dean or Principal.
2. The Dean or Principal shall observe the student and/or talk with the student or others in order to make an initial determination whether a student may be violating this regulation.
3. If a violation is observed, the Dean or Principal shall call the student to his/her office for a conference or otherwise contact the student.
4. During the conference or other contact with the student, the Dean or Principal shall attempt to resolve the problem for Rainshadow CCHS, but shall maintain the discretion to initiate more extreme disciplinary action as outlined in this handbook depending on the nature and severity of the suspected violation. The student shall have the opportunity to rebut the contention that this regulation has been violated. If the administrator is not persuaded, the student shall be asked to remove the clothing and/or jewelry and the administrator shall retain the clothing and/or jewelry until the end of the school day; and/or where applicable, the student shall be asked to refrain from the act or omission, or use of speech, either verbal or non-verbal, which is in violation of this regulation. At the end of the school day, any item(s) surrendered to the Dean or Principal will be returned to the student and the student will be directed not to wear the item(s) in the future. If removal of the clothing may prove embarrassing to the student, an administrator may allow the student to wear the clothing until the end of the school day or may direct the student to return home to change the clothing. No student shall be directed to return home until the student's parent/guardian is notified.
5. At the time of the conference, a school employee shall make a reasonable effort to contact the student's parent/guardian and inform him/her of the suspected violation of this regulation.
6. Whenever a student is determined to have violated this regulation, the parent/guardian shall be notified either in writing or by telephone about the violation within two school days. The parent/guardian will be given an opportunity to meet with the Dean or Principal to discuss the violation. If the parent/guardian is not satisfied at the conclusion

of the conference, the parent/guardian may schedule an appointment with a representative of the Board of Directors.

### **Dismissing Students:**

The teacher, **not the clock**, dismisses class. In the interest of campus management and uniformity, students are not to be dismissed from class prior to the end of the period. Students need to be engaged and using class time to their benefit.

### **Excusing Students:**

Only the student's current teacher or a member of the office staff may excuse him/her from class. Advance arrangements will be made between teachers, the student and the front office if a student needs to be excused from a class.

### **Food/Drinks:**

Students may bring clear water bottles, with water only, into class, but away from computers. Any edible material will be consumed in the designated eating areas only at assigned times.

### **Public Displays of Affection:**

Although we support love and romance, we do not support hugging, kissing, handholding and other displays of affection here at school. Keep some space between students.

### **Graffiti and other Forms of Defacing Property**

Writing, drawing, scratching, painting on desks, walls, mirrors or other school property is considered vandalism and is unacceptable. Even though it may seem cool to you, it steals the respect and dignity of other students. All graffiti is photographed, sent to the police and will be dealt with as a criminal issue.

### **Cellular Phones and Pagers:**

Students may not have cell phones or pagers on or visible during class times. If a student has his or her cell phone and/or pager on or visible during class time the student will be warned and reminded of this policy. The 2<sup>nd</sup> infraction will result in confiscation of the phone/pager until the end of the day. The 3<sup>rd</sup> infraction will result in the item being confiscated and a parent or guardian will have to pick the phone or pager up from the Dean or Principal's office. Further abuse of this policy may result in loss of the privilege of having a cell phone on their person during school time. Cell phones may be used during the lunch break, or before or after school. Cell phone use inside the school can interfere with the educational process and office staff duties.

### **Passes:**

When a student leaves the classroom, he/she is to sign out and have a pass. Students' time will be monitored when out of class on a pass. No more than one student will be allowed out on a pass at a time from each class.

### **Closed Campus:**

In order to keep our students in a supervised, safe and orderly environment, Rainshadow has established a "closed campus". Once students arrive at school, they must remain on campus until the end of their school day unless they have written authorization from their parent(s)/guardian and received permission from school authorities to leave for a specified purpose. Students who leave campus without such authorization shall be classified as truant and subject to disciplinary action. The requirement to keep students on campus is part of Rainshadow's effort to maintain a safe school climate and to reduce absenteeism. School facilities and resources are adequate to serve the nutrition needs of all of our students. Students may eat their lunch in the designated lunch area only. If students choose to bring their lunch, please note that there will be a refrigerator for them to store their food.

### **Audio and Video Recording:**

In an effort to provide the safest and most orderly environment to experience an effective education, we have installed video cameras inside and outside of the building. We are also recording audio in some areas. Aside from the safety aspect, teachers may use the recordings to improve their teaching skills in the classroom. If there are issues of what really happened or what was actually said, the recordings can help clarify a situation for parents who weren't actually there to witness an event.

### **Visitors and Guests:**

All visitors to Rainshadow must check in and sign in with the main office. The following regulations apply to all visitors:

- All student visitors must be a prospective Rainshadow student or a relative of a current Rainshadow student and only attend with advanced approval from administration.
- Siblings of students, unless of age to attend Rainshadow CCHS, will not be permitted to be on campus without parental supervision during the school day.
- Parent(s) of a current Rainshadow student or the parent(s) of a prospective Rainshadow student must make pre-arrangement 24 hours in advance of the visit.
- A student visitor may be asked to leave at any time if he or she is being disruptive.

### **What are my responsibilities in regard to our neighbors?**

You are expected to be courteous and respectful of our neighbors and their property. Students who violate Reno City Ordinances regarding parking, loitering, littering, etc. are subject to citation or arrest by the Reno Police Department and/or Washoe County Sheriff's Department.

### **What regulations exist regarding building evacuation?**

Exit routes to be used for building evacuation are posted in each room. You are responsible for knowing these and being aware of alternate routes should a planned exit be blocked. During an evacuation you are to exit quietly, remain with your class, observe all behavioral expectations and listen for directions from staff. Students with ADA requirements will be provided information regarding their personal plan.

### **What do I need to know regarding driving and parking my vehicle on campus?**

**No Parking or Loitering:** Students must present registration, valid driver's license and proof of insurance to register their vehicle. Students with registered vehicles may park in the assigned parking lot to the southeast of the building across Vesta. However, students will not be allowed access to the parking areas or their vehicles during the day. No students will be allowed to access vehicles at any time for any reason without prior approval from an administrator and or teacher.

**Speed Limit:** Maximum speed limit on school grounds is **10 MPH** at all times. Students are to follow the posted speed limit on public roads around Rainshadow Community Charter High School at all times.

The designated student parking area is the lot directly southeast of the building. Have your decal showing in your car and do not park on sidewalks or in other non-designated areas as your car may be towed.

**Penalties for Violations:**

## **SCHOOL-WIDE DISCIPLINE PLAN**

### **Introduction:**

In accordance with NRS 392.4644, Rainshadow Community Charter School has developed a plan for student conduct and on-site review. The Principal has established and maintains a plan to provide for the progressive behavioral support of students and on-site review of disciplinary decisions. The plan will also have the oversight of a student behavior committee, which includes the members of the school’s Response to Intervention (RTI) team. The plan will:

1. Be developed with the input and participation of teachers and parents of students who are enrolled in RCCHS.
2. Be consistent with the written rules of behavior prescribed in accordance with NRS 392.463.
3. Include, without limitation, provisions designed to address the specific disciplinary needs and concerns of the school.
4. Provide for the temporary removal of a pupil from a classroom in accordance with NRS 392.4645.

The plan established pursuant to NRS 392.4644 will provide for the temporary removal of a pupil from a classroom if, in the judgment of the teacher, the pupil has engaged in behavior that

seriously interferes with the ability of the teacher to teach the other pupils in the classroom and with the ability of the other pupils to learn. The plan will provide that, upon the removal of a pupil from a classroom pursuant to this section, the Dean or Principal shall provide an explanation of the reason for the removal of the pupil to the pupil and offer the pupil an opportunity to respond to the explanation. Within 24 hours after the removal of a pupil for a day or more, pursuant to this section, the Dean or Principal shall notify the parent or legal guardian of the pupil of the removal.

Except as otherwise provided in subsection 3 of the statute, a pupil who is removed from a classroom pursuant to this section must be assigned to a temporary alternative placement pursuant to which the pupil:

- a. Will be separated, to the extent practicable, from pupils who are not assigned to a temporary alternative placement;
- b. Will be prohibited from engaging in any extracurricular activity sponsored by the school.

The Dean or Principal will not assign a pupil to a temporary alternative placement if the suspension or expulsion of a pupil is:

- a. Required by NRS 392.466; or
- b. Authorized by NRS 392.467 and the Dean or Principal decide to proceed in accordance with that section.

If the Dean or Principal proceeds in accordance with NRS 392.466 or 392.467, the pupil will be removed from school in accordance with those sections and the provisions of NRS 392.4642 to 392.4648.

Except as otherwise provided in the statutes, not later than 3 school days after a pupil is removed from a classroom pursuant to NRS 392.4645, a Required Parent Conference (RPC) will be held with:

- a. The pupil;
- b. A parent or legal guardian of the pupil;
- c. The principal of the school; and
- d. The Dean; and
- e. The teacher who removed the pupil.

The Dean or Principal will give an oral or written notice of the conference, as appropriate, to each person who is required to participate.

After receipt of the notice required, the parent or legal guardian of the pupil may, not later than 3 school days after the removal of the pupil, request that the date of the conference be postponed. The Principal will accommodate such a request. If the date of the conference is postponed pursuant to this subsection, the Principal shall send written notice to the parent or legal guardian confirming that the conference has been postponed at the request of the parent or legal guardian.

If a parent or legal guardian of a pupil refuses to attend a conference, the Principal of the school will send a written notice to the parent or legal guardian confirming that the parent or legal guardian has waived the right to a conference provided by this section and authorized the Principal to recommend the placement of the pupil pursuant to subsection 6.

Except as otherwise provided in the statutes, a pupil must not return to the classroom from which he was removed before the conference is held. If the conference is not held within 3 school days after the removal of the pupil, the pupil will be allowed to return to the classroom unless:

- a. The parent or legal guardian of the pupil refuses to attend the conference;

- b. The failure to hold a conference is attributed to the action or inaction of the pupil or the parent or legal guardian of the pupil; or
- c. The parent or legal guardian requested that the date of the conference be postponed.

During the conference, the teacher who removed the pupil from the classroom, the Dean or the Principal will provide the pupil and his parent or legal guardian with an explanation of the reason for the removal of the pupil from the classroom. The pupil and his parent or legal guardian will be granted an opportunity to respond to the explanation of the pupil's behavior and to indicate whether the removal of the pupil from the classroom was appropriate in their opinion based upon the behavior of the pupil.

Upon conclusion of the conference or, if a conference is not held pursuant to applicable statute not later than 3 school days after the removal of a pupil from a classroom, the principal will recommend whether to return the pupil to the classroom or continue the temporary alternative placement of the pupil.

In accordance with NRS 392.4647, the principal of Rainshadow Community Charter High School shall establish at least one committee to review the temporary alternative placement of pupils. The committee will consist of the principal and Response to Intervention Team who are teachers selected for membership who are employed at the school.

If a teacher removes a pupil from the classroom pursuant to NRS 392.4645 who is a member of a committee established pursuant to this section, the teacher shall not participate in the review of the placement of the pupil and the alternate member will serve on the committee for that review.

If, in accordance with subsection 6 of NRS 392.4646, the principal recommends that a pupil be returned to the classroom from which he was removed and the teacher who removed the pupil does not agree with the recommendation, the principal will continue the temporary alternative placement of the pupil and will immediately convene a meeting of the committee created pursuant to NRS 392.4647. The Dean or Principal will inform the parent or legal guardian of the pupil that the committee will be conducting a meeting. The committee will review the circumstances of the pupil's removal from the classroom and the pupil's behavior that caused him to be removed from the classroom. Based upon its review, the committee will assess the best placement available for the pupil and shall, without limitation:

1. Direct that the pupil be returned to the classroom from which he was removed;
2. Assign the pupil to another appropriate classroom;
3. Assign the pupil to an alternative program of education, if available;
4. Recommend suspension or expulsion of the pupil in accordance with NRS 392.467; or
5. Take any other appropriate disciplinary action against the pupil that the committee deems necessary.

The Dean, in consultation with the Principal of Rainshadow Community Charter High School, will deem a pupil enrolled in the school a habitual disciplinary problem if the school has written evidence, which documents that in 1 school year:

- a. The pupil has threatened or extorted, or attempted to threaten or extort, another pupil or a teacher or other personnel employed by the school;
- b. The pupil has been suspended for initiating at least two fights on school property, at an activity sponsored by a public school, on a school bus or, if the fight occurs within 1 hour of the beginning or end of a school day, on his way to or from school; or
- c. The pupil has a record of five suspensions or Required Parent Conferences from the school for any reason.

If at least two teachers of a pupil enrolled at Rainshadow request that the Dean or Principal deem a pupil a habitual disciplinary problem, the Dean or Principal will meet with each teacher who made the request to review the pupil's record of discipline. If, after the review, the Dean, in consultation with the Principal of the school, determines that the criteria for deeming a pupil a habitual disciplinary problem have not been met, the teacher(s) who submitted a request, to the Principal, can appeal that determination to the Board of Directors of the school if such a request is granted. Upon receipt of such a request, the Board of Directors will review the initial request and make a determination reflecting the directives established by the Board of Directors for such matters.

The school policy clearly outlines when a student becomes a habitual disciplinary problem. A school may include the notice required by this subsection with notice that is otherwise provided to the parent or legal guardian of a pupil which informs the parent or legal guardian of the act committed by the pupil.

Before a school deems a pupil a habitual disciplinary problem and suspends or expels the pupil, the Dean or Principal may develop, in consultation with the pupil and the parent or legal guardian of the pupil, a plan of behavior for the pupil. Such a plan must be designed to prevent the pupil from being deemed a habitual disciplinary problem and may include, without limitation, a voluntary agreement by:

- a. The parent or legal guardian to attend school with his child.
- b. The pupil and his parent or legal guardian to attend counseling, programs or services available in the school district or community.
- c. The pupil and his parent or legal guardian that the pupil will attend summer school, intersession school or school on Saturday, if any of those alternatives are offered by the school district.

If the pupil violates the conditions of the plan or commits the same act for which notice was provided pursuant to subsection 5 or any other violation outline and agreed to in the plan, after he/she violates the conditions of the plan of behavior, the pupil shall be deemed a habitual disciplinary problem.

The parent or legal guardian of a pupil who has entered into a plan of behavior, with the school, may appeal to the Board of Directors, of the school, concerning the contents of the plan of behavior or action taken by the school pursuant to the plan of behavior. Upon receipt of such a request, the Board of Directors will review the determination in accordance with the procedure established by the Board for such matters.

A pupil shall be deemed suspended from school if the school:

1. Prohibits the pupil from attending school for 3 or more consecutive days; and if
2. The conference or some other form of communication with the parent or legal guardian of the pupil exists before the pupil is allowed to return to school.

Except as otherwise provided in the statutes, any pupil who commits a battery which results in the bodily injury of an employee of the school or who sells or distributes any controlled substance while on the premises of the school, at an activity sponsored by the school or on any school bus must, for the first occurrence, be suspended or expelled from that school, although he/she may be placed in another kind of school, for at least a period equal to one semester for that school. For a second occurrence, the pupil:

- a. Will be permanently expelled from that school; and
- b. Receive equivalent instruction authorized by the state board pursuant to subsection 1 of NRS 392.070.

Except as otherwise provided in the statutes, any pupil who is found in possession of a firearm or a dangerous weapon while on the premises of the school, at an activity sponsored by a public school or on any school bus will, for the first occurrence, be expelled from the school for a period of not less than 1 year, although he may be placed in another kind of school for a period not to exceed the period of the expulsion. For a second occurrence, the pupil will:

- a. Be permanently expelled from the school; and
- b. Receive equivalent instruction authorized by the state board pursuant to subsection 1 of NRS 392.070.

The Board of Directors of Rainshadow Community Charter High School, in consultation with the Superintendent of the Washoe County School District, may, for good cause shown in a particular case in that school district, allow an exception to the expulsion requirement of this subsection.

Except as otherwise provided in the statutes, if a pupil is deemed a habitual disciplinary problem pursuant to NRS 392.4655, the pupil will be suspended or expelled from the school for a period equal to at least one semester for that school. For the period of his suspension or expulsion, the pupil must receive equivalent instruction authorized by the state board pursuant to subsection 1 of NRS 392.070.

Provisions for suspension and expulsion of students participating in a program of special education pursuant to NRS 388.520, will be followed. There may be interim placements in alternative educational setting for up to 45 days in accordance with federal law 34 CFR 300.520, 300.523, and 300.121.

Suspension is the temporary removal of a student from class or from school sponsored activities. Students may be suspended for the following reasons:

- Violation of any state law or local ordinance in a school building, on school grounds or at a school sponsored activity. Specific examples of these violations are listed in PROHIBITED CONDUCT.

1. A student may not participate in extracurricular activities during the term of his/her suspension.
2. Suspensions may be reflected in the student’s citizenship grade.
3. Parent(s)/guardian shall be notified whenever a student is suspended, and a mandatory conference will be held before the student may return to school.

## **DRUG INTERVENTION PROGRAM**

Rainshadow Community Charter High School believes that students who have consumed or are in possession of alcohol, an illicit substance, drug related paraphernalia, a chemical or organic solvent to induce euphoria or hallucinations, and/or any substance being used as a controlled substance are in need of intensive assistance. Rainshadow offers such assistance by providing referrals to various substance abuse prevention programs.

Any student identified on school grounds or school-sponsored transportation or school activity as a first offender for a substance abuse offense here defined as having ***internal possession*** of alcohol, or an illicit substance, and/or a chemical or organic solvent to induce euphoria or hallucinations, will be subject to any/all of the following:

- Parents will be notified immediately upon suspicion of internal possession or use and be asked to come to pick up their student.
- Law enforcement agencies and/or medical assistance may be called at the discretion of the Dean of Students, Principal, faculty, or staff.
- Students will be required to take a drug test, at their expense.
- This drug test must be administered with proof of administration returned to Rainshadow CCHS by 3:00 pm of the same day. Test results must be provided to Rainshadow CCHS within 48 hours or two business days. Failure to do so will result in an immediate withdrawal. Refusal to withdrawal will result in an expulsion.
- If the student tests positive on the first offense, the student will be required to attend a drug/alcohol prevention program and will be assigned "Choices" for up to 3 days.
- Failure or refusal to attend a drug/alcohol prevention/treatment program within a 6 week time period will result in the removal of that student from Rainshadow CCHS for the remainder of the school year.
- Students who admit to using will not be required to submit to a drug test, all other consequences remain the same.
- If the student's drug/alcohol test comes back negative, the school will reimburse the student upon presentation of a receipt from the testing agency.
- If the student attends and completes a prevention program, and is found to be under the influence of drugs/alcohol a second time, that student will follow the above steps and may also be expelled immediately from the school for the remainder of the school year. That student will need to petition the board of directors for re-admittance into Rainshadow CCHS.

Any student apprehended on school grounds or school-sponsored transportation or school activity as a first offender being in ***physical possession*** of alcohol, an illicit substance, paraphernalia and/or a chemical or organic solvent to induce euphoria or hallucinations, will be:

- Parents will be notified immediately when their student is found to be in possession and be asked to come to pick up their student.
- Law enforcement agencies may be called at the discretion of the Dean or Principal.
- Students wishing to return to Rainshadow CCHS, if they were expelled, at the end of the expulsion period will need to demonstrate proof of enrollment and completion of a substance abuse program and petition the board of directors for re-admittance.
- A second offense by the same student may result in a permanent expulsion.

Any student who repeatedly violates this regulation or commits any violation warranting a more severe penalty may be subject to more extreme disciplinary action as outlined in this handbook.

## **VIOLENCE INTERVENTION PROGRAM**

### **What happens to students who fight at school?**

Fighting will not be tolerated. Mature people settle their differences with discussion and compromise. Since it generally takes two to make a fight, those people involved will receive disciplinary measures, which may result in Out-of-School Suspension and/or arrest.

As stated in the School Rules of Conduct section, **any act of violence may result in a student being removed from Rainshadow.**

(Added to NRS by 1985, 2283; A 1995, 902; 1997, 1808)

## **HARASSMENT POLICY**

Any employee who is made aware of an alleged incident of harassment will take immediate action to bring the matter to the attention of an administrator. A written description of the event will be requested from both parties.

**a. Sexual Harassment defined:**

- Sexual harassment consists of unwelcome conduct, whether verbal, physical, or visual that is based upon a person's legally protected status.
- In school, sexual harassment may result from words or conduct of a sexual nature that offend, stigmatize, demean, frighten or threaten another because of his or her sex. Sexual harassment may involve a male harassing a female, a male harassing a male, a female harassing a female, or a female harassing a male.

- Touching, grabbing or pinching.
- Sexual propositions or threats.

**c. Procedure:**

1. Any student who believes that he or she has been subjected to any form of harassment by anyone is encouraged to promptly tell the person that the conduct is unwelcome and ask the person to stop the conduct. A person who receives such a request must immediately comply with it and must not retaliate against the student for rejecting the conduct.
2. Complaints of illegal harassment should be brought to the attention of the following: a teacher or an administrator.
3. If the student feels uncomfortable about discussing the complaint with a teacher or a school administrator, the student should feel free to bypass the teacher and take the complaint to any other administrator or a chairperson of the Rainshadow Board of Directors.
4. After notification of the student's complaint, an investigation by Rainshadow CCHS will immediately be initiated to gather all facts about the complaint.
5. After the investigation has been completed, a determination will be made by the principal or his or her designee regarding the resolution of the case. If warranted, disciplinary action up to and including removal will be imposed. Other appropriate actions will be taken to correct problems caused by the conduct.
6. However, if after investigating any complaint of harassment and/or discrimination, Rainshadow CCHS determines that the complaint is was not made in good faith or that a student has provided false information regarding the complaint, disciplinary

action may be taken against the student who filed the false complaint or who gave the false information.

7. All complaints will be handled as confidentially as possible.
8. Rainshadow CCHS prohibits retaliation against students who bring illegal harassment charges or assist in investigating charges.

### **EXTRACURRICULAR ACTIVITY CODES**

School organizations, clubs and athletic teams may adopt and distribute to their members, rules that shall govern student conduct. Infractions of these rules shall result in disciplinary action. Any student attending a charter high school has the right to sign up and participate in athletics and other extracurricular activities at the school site for which they are zoned (NAC385.561).

### **DISPUTE RESOLUTION PROCEDURE / Due Process**

We believe that any dispute should be dealt with at the level of those involved. If there are student /teacher issues or parent/teacher issues, please seek resolution with the teacher first. If that is not satisfactory, Rainshadow has established a dispute resolution/grievance procedure to allow students and parents an opportunity to voice any concerns they may have. The purpose of this policy is to provide students and parents an opportunity to raise their questions or problems in confidence and without fear of reprisal or discrimination. Rainshadow will make every effort to investigate and settle a student or parent's concern on a fair and equitable basis.

If you have a concern, please follow the steps below which are designed for you to receive a prompt and fair response:

1. You are encouraged to discuss the problem with the Principal as soon as possible after the occurrence of the problem. The Principal will review your student's problem and give you a reply within seven (7) days.
2. If you feel the problem is not solved to your satisfaction with the Principal, you may within three days request a review by the Board of Directors. This request needs to be submitted to the Principal to be included in the next School Board Agenda
3. The Board of Directors will investigate your student's concerns and provide you with a response within ten (10) working days after the next regularly scheduled Board meeting.

The Board of Director's decision shall be final and conclusive.

4. Having exhausted all avenues, a parent/guardian may appeal to the WCSD by filling out an official WCSD Charter School Complaint Form.

It is Rainshadow's intention to be fair and impartial in order to establish the smoothest working relationship possible. Rainshadow will not tolerate any form of retaliation against you or your child if you avail yourself of this procedure. **The procedure should not be construed, however, as preventing, limiting, or delaying Rainshadow CCHS from taking disciplinary action against your child where Rainshadow deems disciplinary action appropriate.**

### **SEARCHES OF STUDENTS**

The primary function of the school is education. In order to serve this function, the school must maintain discipline and order and must provide students with physical safety and security.

School officials and teachers act in *loco parentis* to the students during the time students are under their supervision.

To provide an orderly and safe school environment, the school must control the behavior of students and prevent the introduction by students of harmful, damaging, unlawful items onto the school premises. The law, therefore, permits school authorities to search students, their personal possessions and their desks and lockers under appropriate circumstances.

A decision to search a student, his/her possessions, or any school property or area assigned to him/her for his/her individual use shall be made in accordance with the following guidelines:

- The student has a right of privacy in his/her person, his/her personal belongings and effects and his/her personal automobile parked on school grounds; but that right is limited by the needs of all students for a safe, calm and orderly school environment.
- Students shall not carry, conceal or bring onto the school premises any material that is prohibited by law, published rules, regulations or policies or any material that will detract from the maintenance of a calm, orderly and safe school environment.
- A teacher, administrator or other school employee designated by the Principal may search the person of any student, the personal effects in the student's possession, or any student's automobile parked on school grounds, under any of the following circumstances:
  - a. The search is made in connection with a lawful arrest.
  - b. The search is made with the voluntary consent of the student.
  - c. The search is conducted on the reasonable suspicion that the student is engaged in an activity which violates a law or published school rule, regulation or policy or that the student is carrying, concealing or sequestering material the possession of which is prohibited by law or by published school rule, regulation or policy.
- If the search is made with the consent of the student, there should be a witness to the obtaining of the consent and to the search. The teacher, administrator, or other designated school employee making the search shall be of the same sex as the student searched unless the need for an immediate search requires a search by a teacher, administrator or school employee of the other sex. When someone of a different sex than the student searched conducts the search, there should be a witness to the search.
- In those cases requiring a reasonable suspicion as the basis for the search, the school official or employee authorizing the search shall have a reasonable suspicion that the fruits or implements of a crime or unlawful act will be found, or that a weapon or other material the possession of which is prohibited by law or by school rules, regulations or policies will be found. A reasonable suspicion is a subjective, good faith belief supported by objective facts which may include but are not limited to the student's age, history and record in the school, the reliability of the information giving rise to the suspicion and the seriousness and prevalence of the problem in the school. The required "reasonable suspicion" must be based on facts related to a particular student whose person, belongings, automobile or property is to be searched and such suspicion must arise immediately prior to the proposed search.
- If a student does not give voluntary consent to a search, local law officials may be called to assist with the situation, or students will be dismissed to the custody of their parents until the matter is resolved. Administrative discretion will be used to determine course of action.

Rights and  
Responsibilities

## ***Rights and Responsibilities***

### **Statement of Rights and Responsibilities**

Rainshadow CCHS recognizes the following:

- That the primary intent of society in establishing the public schools is to provide an opportunity for learning;
- That the students have full rights of citizenship as delineated in the United States Constitution and its amendments;
- That citizenship rights must not be abridged, obstructed, or in other ways altered except in accordance with due process of law; and
- That education is one of these citizenship rights. The liberty of the individual must be thus far limited: the student must not infringe upon the rights of others to an education.

### **Definitions of Rights and Responsibilities**

*Students at Rainshadow CCHS have the basic constitutional rights guaranteed to all citizens. In exercising these rights, students have a responsibility to respect the fundamental rights of all citizens. One purpose of schools is to encourage the responsible use of these rights and develop good citizenship within the framework of an educational society. The school is a community and the rules of a school are the laws of that community. To enjoy the right of citizenship in the school, students must also accept the responsibilities of citizenship.*

*This handbook presents the rights and responsibilities of the students in the Rainshadow CCHS. It has been written by the school administration and approved by the board of directors.*

### **Right to Freedom from Discrimination Based on Race, Creed, National Origin, Sex, or Physical Handicap**

It is the policy of the Rainshadow CCHS to comply with the constitutional right that no person shall be denied the benefits of an educational program on the basis of race, creed, national origin, sex, or physical handicap.

If you have a complaint in this regard, you are asked to notify the Principal.

<p style="text-align: center;"><b>Right to an Education</b></p> <p>The State of Nevada established the public school to provide a free education for persons between the ages of five and 21 years. All residents of the Washoe County School District, age five through 21, are entitled to attend public schools without paying tuition. All students are entitled to equal educational opportunities.</p>	<p style="text-align: center;"><b>Responsibility</b></p> <p>Along with the right to equality of educational opportunity lies the responsibility not to interfere with the rights of others to that same opportunity. Reasonable and necessary order in the school is essential to the fostering and maintaining of educational opportunity. Students may forfeit the right to educational opportunities if their conduct is such that it substantially disrupts the educational process and/or deprives other of their rights.</p>
<p style="text-align: center;"><b>Right to Freedom of Religion</b></p> <p>The school may not interfere with students' rights to observe any religion by requiring, establishing, or conducting religious exercises for students.</p>	<p style="text-align: center;"><b>Responsibility</b></p> <p>It is each student's responsibility to respect the religious beliefs and the observances of others.</p>
<p style="text-align: center;"><b>Right to Freedom of Assembly</b></p> <p>Freedom of assembly is a right protected by the First Amendment of the Constitution of the United States.</p>	<p style="text-align: center;"><b>Responsibility</b></p> <p>The exercise of the right of assembly must be conducted in a reasonable manner so as not to interfere with the educational activities of the school district. Students remaining on school property (including grounds, building, parking lots, etc.) without permission are considered to be loitering. Loitering is subject to disciplinary action.</p>

<p style="text-align: center;"><b>Right to Freedom of Expression</b></p> <p>The First Amendment of the Constitution of the United States of America is an essential part of the learning process. The following statements are made to guide students in exercising their constitutional right to freedom of expression:</p> <p><b>By Speech:</b> The school encourages inquiry and expression of ideas. Such expression should include personal opinions relevant to subject matter being taught, to school activities and policies, to school administration and to matters of broad social interest.</p> <p><b>By Writing:</b> Students have the right to express themselves freely in writing.</p> <p><b>By Symbolic and Related Activities:</b> Symbolic expression is defined as that type of expression, exclusive of verbal and written expression, which conveys the personal ideas, feelings, attitudes, and opinion of an individual. Length of hair, choice of clothing, buttons, badges, armbands, and physical gestures are some examples of symbolic expression.</p>	<p style="text-align: center;"><b>Responsibility</b></p> <p><b>By Speech:</b> It is each student's responsibility to refrain from using slanderous remarks (spoken maliciously or without regard to the truth, obscene language, or language that causes others to be disobedient).</p> <p><b>By Writing:</b> It is each student's responsibility to refrain from libel, obscenity and irresponsible personal attacks.</p> <p><b>By Symbolism and Related Activities:</b> It is the responsibility of each student to refrain from overt exhibitionism, disruption of the educational process, being obscene, being disrespectful, promoting or participating in illegal activities, or being obviously annoying to others.</p>
<p style="text-align: center;"><b>Right of the Persons with Disabilities</b></p> <p>All students with disabilities at Rainshadow CCHS are entitled to the benefits of a free appropriate educational program.</p>	<p style="text-align: center;"><b>Responsibility</b></p> <p>Students have a responsibility to attend regularly and promptly all classes for which they are scheduled and for putting forth their best effort on tasks assigned as designated on their Individualized Educational Plans.</p>
<p style="text-align: center;"><b>Right to Confidentiality of School Records</b></p> <p>The Family Education Rights and Privacy Act of 1974 assures the confidentiality of students' records.</p>	<p style="text-align: center;"><b>Responsibility</b></p> <p>Students should make themselves aware of what their file contains and discuss with their parents/guardians the release of any information.</p>

<p style="text-align: center;"><b>Right to Due Process</b></p> <p>The phrase "due process" means that any person accused of a violation of a rule, responsibility, or policy of law is entitled:</p> <ul style="list-style-type: none"> <li>A. to know what charges are against him/her;</li> <li>B. to have the opportunity to present his/her viewpoint before a final disciplinary decision is made.</li> </ul> <p>Students facing serious disciplinary action such as long-term suspension, mandatory reassignment, or expulsion will receive from the school a copy of School Policy which outlines a specific procedural process mandated by state law to insure them due process. If a decision for disciplinary action is made, the student has the opportunity to appeal that decision to a higher authority and must state his/her intent to do so. Disciplinary action must then await the outcome of the appeal.</p>	<p style="text-align: center;"><b>Responsibility</b></p> <p>Students have a responsibility to respond to charges of a violation in a mature manner. Students should also, along with their parents/guardians, remain in contact with the school regarding due process procedures and time lines.</p>
<p style="text-align: center;"><b>Right to Appeal</b></p> <p>An essential ingredient of due process is the opportunity to appeal a decision to a higher authority. Thus, a student may appeal a decision of a teacher to the principal. If the student is still not satisfied, the principal's decision may then be appealed to the board of directors. The right to appeal may continue beyond the board of Ed directors to a court of law. Usually a court of law will not hear a case unless the student has used all available avenues of appeal.</p>	<p style="text-align: center;"><b>Responsibility</b></p> <p>It is the student and parent/guardians responsibility to inform the school as to the decision to appeal in accordance with the due process procedures.</p>

### **Can the school legally refuse to show parents/guardians any records?**

Personal notes kept by a teacher, director, psychologist, or other school employee for the sole use of that person are not considered part of the child's record, and parents are not entitled to review them.

Ask! Rainshadow will make an appointment for parents to review their child's educational records.

#### ***What is the procedure for challenging school records?***

- A written request to amend the record must be made indicating the aspect of the record and specifying why the aspect of the record is believed to be inaccurate, misleading, or in violation of the student's rights.

- The Principal and appropriate staff, as needed, determines whether or not to amend the record.
- Parent/Guardian must be notified of the decision. If the Principal does not agree that the record needs to be amended, the parents/guardians have the right to place a written statement in the record explaining the reasons why they disagree, or the parents may request a hearing to amend the record.
- The Board of Directors will review and listen to documented evidence about the record and make a ruling.
- If amendment to the record is denied, the parent/guardian has the right to place a written statement in the record explaining the reasons why they disagree.

**General Directory Information:**

Most educational record information is not available to most individuals without parental/guardian permission to access student records.
